## Rule 213 Fees for Fiscal Year 2011-2012<sup>a</sup>

<b>Rule 213 Fee Schedule</b>	<b>Section</b>	<b>CPI-Adjusted Fee</b>	<b>Fee Rate In Effect July 1, 2011</b>
213-A.	Registration and Registration Renewal of Agricultural Diesel Engines	\$216.2089	\$216.00

<sup>a</sup>The Rule 213 fees for fiscal year 2011-2012 shall be the “CPI-Adjusted Fee.” Assuming there are no fee revisions, this fee will be used to calculate future CPI fee increases. For purposes of administrative convenience for fiscal year 2011-2012, the District will charge the “Fee Rate,” which is the CPI-Adjusted Fee rounded down to the nearest dollar. The APCD revised the fees in accordance with Rule 213.C. These fees are effective July 1, 2011 and they are based on a California Consumer Price Index increase of 3.1 percent (April 2010 to April 2011). The APCD calculated the CPI-adjusted fee rates shown in the table by applying the 3.1 percent CPI increase to the fiscal year 2010-2011 CPI-adjusted fee rates and rounding the results down to four decimal places.
